MYSTERY.

Long Island's Strange Tragedy Not Cleared Up by Weber.

His Identification of the Murdered Girl Not Satisfactory to the Police.

He Had been in New York Since Friday and Was Out of Funds,

There is still much mystery surrounding at North Haven, Conn.

Weber called at the Ridgewood Mergue last pight and said the dead girl was his niece. Matida Haber, twenty years old, who left her home in North Haven Saturday morning inst | startling information

A general alarm for Aabe, whom Weber before Weber went to the Morgue and idenhe suspects is the murderer, has been tifled the girl, a young man appeared to sent out by the New York and Brooklyn Grauer's saloon.

Detective Sergeant Henry Miller, of the Fourteenth sub-precinct of Brooklyn, and constable Ernest Breenter, of Edgewood, who are at work on the case, left on the first train from New York this morning for North Haven to drivestigate the truth of Weber's North Haven on Saturday last, when he says

officers took Weberto North Haven this morn-

the Morgue last night," said the Coroner, and he acted so impudent and crazy-like that I came near locking him up.

I told the officers to take him over to New York ever night, and then go with him to North flaven this morning. I expect to hear from them sometime during the day."

orities hast night: woman had been found at Glendale and the description was so much like that of my
